& Legal Practice*

570.344.3788 ext. 322 www.nerehab.com

Course Objectives

Who Should Attend:

Registered Nurses, Occupational Health Nurses, Rehabilitation Specialists, Disability Management Specialists, Case Managers, Insurance Representatives, Human Resource Personnel, Attorneys, Paralegals, Physicians, Physical & Occupational Therapists

Participants will be able to:

- ◆ Describe diagnostic testing (ultrasound and EMGs) and the pitfalls of subjective interpretation.
- ◆ Describe the evaluation and management of shoulder pain, neck pain, and concussions.
- ◆ Analyze and compare various injection methods as a diagnostic tool.
- ◆ Discuss the use of interventional pain management for the treatment of pain.
- ◆ Discuss the role of education and advocacy as an ethical and legal consideration.

CNE Credits:

This activity has been submitted to AAOHN for approval to award contact hours. The AAOHN is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

In addition to continuing nursing education, this activity has been submitted to CCMC, CCRC, CDMS, and CLE for 6.5 credits (including 1.0 ethics credit).
